Principal's Comment

Some students have begun bringing Energy drinks such as Mother, Red Bull and V to school. Medical studies confirm that these drinks are not healthy for children to consume due to the high levels of caffeine that they contain. In accordance with this schools healthy Foods policy, these drinks are banned from the school. Please ensure such drinks are not brought to school.

Next week we welcome our 2010 Kindie applicants to have a taste of "Big School". They will be with us for 2 hours on Monday and Tuesday. Parents attend on Monday for an information session followed by Morning Tea. Please join us to welcome families to the school.

Years 5 & 6 leave for a week of fun and educational experiences at Broken Bay Camp next week. I am sure they will have a great time.

Over the past week parents may have read or heard in the media misleading reports of tree removal at his school due to planned building projects and playground refurbishment. These reports resulted from a planning mistake in Sydney. I have met with the W W C Council and the building construction company and insisted that no trees be removed during these improvements. At the conclusion of works, further landscaping similar to that already undertaken at the front of the school, will be carried out in the area at the front of the new school car park. (adjacent to the old Principal's residence).

P & C AGM - Please read the notice relating to this later in the newsletter. I encourage all parents to take an active role in the P&C. Staff and students rely heavily on the support of this organisation. Your involvement would be highly valued.

Jim Roworth
Principal
