Principals Message:

Today we had a wonderful opening of our air conditioning and toilet renovations. I would like to thank Mrs Kay Hull for opening the projects and thank Mr Colin Parker Riverina Region Director of Education for attending. Also thank you to the parents who came along. A huge thank you to the people responsible over the last few years for the projects coming to fruition - Mrs Lyn Eacott, Mr Tim Crimmins, Mrs Lee Barron and the P &C, and to all the Parents, Staff and Students who have contributed in so many ways. Finally thank you to the Federal Government who provided \$181,326 in Grants to allow these two projects to be finalised.

Congratulations to Cassie Durnan who as part of the Riverina PSSA Girls Touch team won the State Championships in Sydney last week.

This week is Numeracy and Literacy Week. While these subjects are of the greatest importance at WWPS at all times, this week Schools throughout Australia highlight the hard work being undertaken to improve literacy and numeracy skills. The Federal and State Governments along with schools are recognising the outstanding results that have been achieved. At WWPS we are proud of the efforts of staff and students and of the outstanding results being achieved.

MUFTI DAY - Each term we hold fundraisers for selected charities. Our regular charities are Stewart House and Westmead Children's Hospital. As well we choose 2 other local charities or charities which support students at our school. This term we will be supporting the Muscular Dystrophy Association.
