Principals Report:

Welcome back to WWPS for 2007. We have had many new enrolments to the school and new families which we welcome to our community.

All students have now been allocated to classes & only some fine tuning should occur in the next few days. Students have been very settled and started the year in excellent style, despite the hot weather. Unfortunately our air conditioning is still not ready to be installed. As a result sunscreen and hats are a must as are water bottles. Students will be allowed to use these in class.

52 new kindergarten students joined us this year, allowing the formation of 3 Kinder classes. With other enrolments, we were able to increase our total classes from 13 to 14.

Staffing for the new class is yet to be finalised, however this will be done as soon as possible. A big welcome back to Mrs Hampstead in the school office.

Staffing for W.W.P.S. for 2007 is as follows:

School Contributions

For the 2007 School Year will be as follows

1 Child \$40

2 Children \$50

3 or more children \$60

These contributions are used to support students through the purchase of resources. This year we are targeting reading.

Student Safety

Please observe all traffic and Pedestrian signs & rules around the school, including parking restrictions & drop off zones. In particular please **DO NOT** walk with students through the car park, use pedestrian gates at all times.

Parents Information Nights

These will be held on Tuesday 20th for all classes. Times to be notified next week. This is an excellent opportunity to gain information on what's happening in your child's class this year. However it is not a time for personal interviews, please make these for another time. Formal parent interviews will be held in week 9&10. As always please communicate with myself or class teachers if you have any concerns.

CONTACT DETAILS

I have noticed that some parents have changed their details, particularly phone numbers without informing the school. This is particularly important information especially if we have an emergency with your child. Please complete the details which is part of this newsletter if your details have changed.

Term Calendar

This is included to try to inform parents of as many known events as possible.

Canteen and P&C

If you are able to assist with these 2 valuable organisations in any way please see the office. Canteen helpers are needed urgently, parents, grandparents etc.

The P & C meets on the 3rd Wednesday of every month during term time, at 7.30pm in the staffroom. Please come along & assist with policy making, fundraising & school planning.
