#### Principals Comment:

What an outstanding roll up we had of parents, grandparents and friends last Thursday for "GRANDPARENTS DAY". It was wonderful to see the enjoyment visitors and students had from the performances, and from joining in the reading activities.

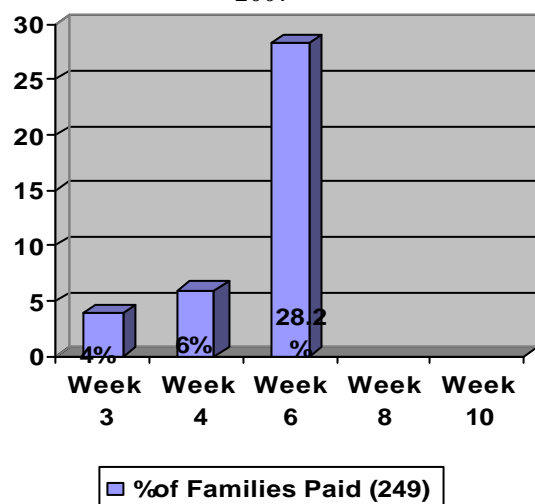

Thank you to everyone who participated, and we look forward to you joining us again next year.

**School Photos are on Wednesday - all students in school uniform please.**

As part of our newsletters for the rest of this term we will be publishing articles detailing Road Safety rules and laws. These are an attempt by the school, the RTA, the School Crossing supervisors and the NSW Dept of Education, to ensure our students safety on the roads and around our school. Please read these articles, discuss them with your children and abide by the rules.

Congratulations to Mrs Rohrich and family. Jo has given birth to a little girl.

### 3. Get in and out of the car using the 'safety door'

- The rear kerb side door of the car is the 'safety door'.
- Teach your children to get in and out of the car by the 'safety door'.
- Never allow children to get out of the car on the traffic side.
- When possible, children should remain in the car until an adult opens the 'safety door' to ensure they get out safely. This is extremely important with young children.
