Principals Message:

It has been very pleasing to observe most students with their heads down working well at the beginning of the term. The school has been very settled and I trust this will continue.

Our students look wonderful in their school uniforms. It has also been pleasing to see this positive attitude evident in the many students who have covered their new books.

I encourage parents to attend the information night being held tonight. This is an opportunity to gain first hand information on the expectations of your children this year, and the various programs and activities which they will be involved in.

Early Stage 1 (Kinder) 5.30pm Mrs Cesnik's room

Stage 1 5.30pm - In classrooms
Stage 2 6.00pm - Miss Post's room

Thanks to all teachers who are giving up their time to host these information sessions.

SCHOOL BANKING

Just a reminder to students and parents that school banking will start again on Monday 26th February 2007.

All Kindy students will be given their own starter packs to take home and have their parents fill out and return to school. All other students that want to start banking can pick up their starter packs from the lovely ladies as the front office.

I hope to see lots of bank books come in next week.

Thank you

Susan Hill
