PRINCIPAL’S REPORT—WEEK 10

TERM 2 MAJOR ASSEMBLY
This term’s Major Assembly will be held tomorrow at 10.00am in the school hall. This assembly recognises the academic and behavioural achievements of our students. We hope to see you there. Please note that due to space restrictions the hall has only limited seating for parents.

WWPS WALK A THON
This year’s Walk A Thon Reward Day will be held on Thursday this week. Information and sponsorship forms went home in Week 7. Please read the information carefully so as your child has all that they need to make this day a great success. Permission notes should already have been returned to class teachers, if you haven’t done so, these will need to be returned by tomorrow.

Canteen orders have now closed so if you didn’t get your order in, please pack lunch for your children. There will be no canteen at school on Thursday, so all children will need to bring recess from home.

Sponsorship forms were due yesterday, 22nd June 2015, not 22nd September as on the note. Apologies for this. If you haven’t returned sponsorship forms and money could you please do so by Thursday. If anyone is available to help with the BBQ, please let Ellise in the canteen know as soon as possible. We hope to see you at Lake Albert from 11.30 onwards to enjoy the walk.

STUDENT PROGRESS REPORTS
Semester 1 reports will go home on Thursday this week. These reports will provide you with a snapshot of where your child is achieving at this point in time. If you have any concerns or wish to speak with your child’s teacher about their report please contact the office to arrange a mutually convenient time.

END OF TERM
This Friday 27th June is the final day of school for this term. Thank you to the students and staff for all your hard work and fantastic achievements and to the many family and friends of Wagga Wagga Public School for your support and assistance in so many ways this term. We wish all our families a relaxing and safe holiday break and look forward to seeing everyone back on Tuesday 14th July for Term 3.

**SCHOOL RUGBY LEAGUE JERSEYS**

Scott Woodhouse and Hunters Newsagency have kindly donated a newly designed set of Rugby League Jerseys for our Senior Rugby League teams. The designs are fantastic and have incorporated the school colours in a sleek modern look. We appreciate all that Mr Woodhouse and Hunters Newsagency have done for our school and look forward to seeing them in action.

Have a great holiday.

Our year so far...

**K**

We have been learning about healthy foods so we had a healthy lunch day. Mum packed me some carrots and cucumber.

- Aamity

**T**

For news we could bring in something that was a half. I had a pizza and cut it in half but it was plastic.

- Mia

---

Gymnastics was so much fun. We got to balance on boards and learn shapes. Jude I liked doing Gymnastics with my class. We had to spin plates on a stick.

- Kai

---

**KT have been talking about learning goals.**

We thought about things we want to know or what we want to learn and do better.

- My learning goal is that I want to learn to read a lot.
- My learning goal is to count to the biggest number.
- My learning goal is to win the prize box.
- My learning goal is to use the computer and writing.
- My learning goal is to listen better.

School Reports – What does A to E mean?

The Board of Studies develops statewide curriculum standards for all government and non-government schools in New South Wales. These determine what students are required to learn. The Board has also developed the A to E descriptions of achievement. These will be used to describe how well a student has achieved in each subject over the past semester (two terms). Achievement standards will be applied consistently across the state.

C means that your child is ‘on track’ in relation to what he or she is expected to learn. Other grades will indicate whether your child is doing better than expected or needs more help.

The Board of Studies has developed the following descriptions of achievement for use by all NSW schools.

A - Outstanding achievement
The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.

B - High achievement
The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.

C - Sound achievement
The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.

D - Basic achievement
The student has a basic knowledge and understanding of the content and has achieved a basic level of competence in the processes and skills.

E - Limited achievement
The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills.

What do D and E mean?
A grade of D or E indicates that, in relation to what he or she was expected to learn, the student has demonstrated only basic or limited achievement. The student has learnt some things but not enough to be ‘on track’ in relation to syllabus standards. The grade of D or E is an alert to the student and parents that more needs to be done to keep the student ‘on track’.
