Welcome to our first paperless newsletter at Wagga Wagga Public School. Thank you to everyone for your support in recognising the valuable cost and time savings this initiative will bring for the school. Newsletter day will remain on Tuesdays, with it being emailed and posted on the school website (www.waggawagga-p.schools.nsw.edu.au) and Sentral portal. We are hoping the transition goes smoothly, but please excuse any glitches and be assured that we will do our best to make this a smooth process.

5/6M’s Growth Mindset Challenge

I love the Learning Pit idea. It helps me learn. Now I always say, "I know I can. I'll try." I know that we can learn from making mistakes. Sarah

I have learnt that your brain works like a muscle. If you exercise it, it will become better and stronger. Will

There are people in this world who give up and say that they can’t do something. However there are people who succeed because they say that they can't do it yet! Callum N

If you persevere you will succeed and be happy with yourself. Charlotte

Our class is learning about the brain and how we can improve it. The Learning Pit and what is going on inside my head is a lot of fun. Tristan

Try and try again until you achieve! Bronte
